TA brief

Prepare the simple word, shape and colour cards described here before the lesson; no external image, named resource or screen interaction is needed. Read pupil wording aloud, one short prompt at a time. All response choices apply to EVERY question, demonstration response, shared task, route, review and Exit: pupils may point, speak, sign, use symbols, draw or write. A pupil may direct an adult to place a shape or move a card. Offer a silent director role throughout; do not require making marks, touching materials or speaking to the group. Never cold call. Any pupil may pass. A pass needs no book entry.

Use one Arrival tier and one Exit tier per pupil. Keep Answer (adult) lines out of pupil view until the response. The three Exit checks are brief choices or short responses, not three extended written answers. Allow private thinking before any shared reveal. An adult may record the pupil's own choice, gesture or exact words. No board copying, cutting or gluing is needed in the timed stages.

Festival context: light and colour are ways some people celebrate. People within a tradition may celebrate in different ways. These are original, made-up classroom pictures of light shapes, not copies of any tradition's sacred images. Never ask about a pupil's belief, family, worship or loss. Discuss the shapes and colours in these pictures, not personal disclosure.

Materials safety and access: use pencils, pastels or chalk, coloured and dark paper, and optional glue. Any scissors are used with adult care; prepare cut shapes in advance so cutting is never required. Use no flames. Keep chalk on the paper and do not blow dust. Announce each short task, use a predictable short count-in with a matching hand gesture, and show a flat hand for STOP. At STOP, pause marks or card moves and rest tools on the table. A pupil can choose the silent director role, a quiet place or a pause without explaining why. Offer large, clearly spaced shapes and describe their colour and position; do not infer lack of art understanding from a visual or motor access need.

TA brief

Kit and stimulus: Each pupil needs a small piece of dark paper, bright yellow, pink and light blue pencils, pastels or chalk, or ready-cut coloured paper shapes with optional glue. Use only two or three bright colours in each artwork. Provide DOT / RING / RAY / LAMP cards: dot = a filled round spot; ring = a round line with an empty middle; ray = one short straight line; lamp = a plain oval outline with three short rays above it, with no flame. A lamp here is only a made-up drawn sign for a light. Add START / STOP cards and a small plan space with SHAPES / COLOURS / BIT TO REPEAT. Say colour names aloud and describe card positions. An adult can draw or place shapes exactly as the pupil directs. No earlier lesson or completed work is needed. Use a retained P1 plan if available, or make a fresh brief plan within the lesson. Prepare four must-know word cards, each with the word and a simple matching symbol, read aloud: plan (a small plan card), shape (a dot and a ring), repeat (one pair, an arrow, the same pair), pattern (a row of marks). Show them from the Opening.

Adult-made Example A and its plan: Draw or arrange four large, evenly spaced marks in one row on dark paper: yellow dot / pink ring / yellow dot / pink ring. Beside it, make a plan card showing a yellow dot followed by a pink ring, with the words TWO COLOURS: YELLOW, PINK and USE THE PAIR AGAIN. This is an original classroom example, not a named artwork or a sacred image. The finished row matches the plan.

Adult-made Example B: Make another row on dark paper: yellow dot / pink ring / yellow dot / pink dot. It uses the same two colours as A, but its second pair has a dot where the plan calls for a ring. Prepare the last pink dot as a loose paper shape and a pink ring to swap in, so the adult can show one simple change without covering a pupil's work. Adult cutting happens before the lesson.

Adult-only EHCP note: Possible outcome areas are communication and interaction; cognition and learning; sensory and/or physical needs; social, emotional and mental health. Link observations only to an actual individual target; do not infer an outcome from participation alone. Regulation strategy: use the announced count-in and visible STOP cue, with an agreed silent return to the next small task if the pupil needs a pause.

TA brief

Same-day evidence — ART-BUILD-A2-W01-P2: The assigned adult records one chosen book item or a brief observation of the pupil's own response, response mode and actual prompt used, and files it in the evidence app the same day under ART-BUILD-A2-W01-P2. A photo is optional and needs the accompanying observation; a photo alone does not show understanding. Do not require a public display.

1. Set out dark paper, the full shape/colour choices, the four word-and-symbol cards and the simple plan space; do not assume attendance at P1.

2. Use the count-in and clear stop cue; every pupil may direct silently or pass. Keep cut shapes ready and support any scissors use.

3. In We do, each pupil chooses a part before the shared example is completed; allow an adult to carry out the pupil's instructions.

4. In You do, offer one route; note the pupil's own shapes, colours, repeat and check rather than praise alone.

5. Record one specific choice or changed part with the response mode and prompts, and file the evidence in the evidence app the same day under ART-BUILD-A2-W01-P2.

Arrival · 5 minutes

Adult note: Show Example A and its plan. Name the dot and ring shapes, then let each pupil find the order and colours before any reveal. Example A and its plan are supplied clues, not a test of prior learning; pupils do not need to remember P1. Invite four brief responses from one tier.

Starter · 3 minutes

Adult note: Show and read both rows, pointing to each mark; each pupil chooses privately before a shared reveal. Use the two adult-made examples described above.

I do · 6 minutes

Adult note: Spend four minutes modelling the plan, repeat and one check, then two on the word meanings and one choice. Show the plan for A beside B. Move a finger along the first pair, then the second, so the comparison is visible. Use loose shapes for the one change.

TA brief

Adult note: Swap only the last pink dot for the prepared pink ring. Invite every pupil to show the shape named in the plan before revealing the change. A pupil whose work already matches may show that match; a change is not compulsory. The aim is one intentional check, not a neat copy of the adult's artwork.

We do · 8 minutes

Adult note: Two minutes for the guided example, four to plan and try, two to check. Every pupil has dark paper or a dark card space and dot/ring choices in two bright colours. A pupil can direct an adult or use selected shape cards. All decide before shared cards move.

Adult note: Every pupil makes or directs their own short trial. A pair with one mark of each chosen colour is a manageable starting point. If a pupil plans a third colour, use a three-mark unit and repeat the whole unit. Save the plan as cards, marks or an adult record for You do; no public display is required.

You do · 15 minutes

Adult note: Two minutes to set up; eleven to plan, make and record; final two to review one check. Offer a small piece of dark paper and drawing or ready-cut shape choices. Every route can be completed as a silent director. No earlier work is required; the model and full instructions are here. Reuse a P1 or We do plan if the pupil chooses, or record a fresh shape/colour plan before making. Give one precise success and one next step, and allow the pupil to show the check or a chosen change. Use only two or three bright mark colours; the dark background does not count as one of them. Name back what the pupil made and one choice they made, ask for one spoken, signed or shown reason, and scribe it with the evidence.

the adult marks I (Independent), S (Supported) or C (Choice) and records actual support. For Aspire, record I or S according to the support used.

Exit ticket · 3 minutes

Adult note: Show the unchanged Example A and its plan. Use one tier and brief responses. Use the pupil's plan and artwork wherever a check asks for their work.

TA brief · feedback and prompt ladder

Prompt ladder for adults

1. Point to the relevant place / instruction.
2. Ask one short question: "What is it asking you to find?"
3. Rephrase the instruction in simpler language.
4. Provide a scaffold or limited choice.
5. Model the first step only, then return the task to the pupil.

No cold calling; nobody is asked to read difficult text aloud.

Space: allow quiet thinking and a private response.

Feedback [VF] [NS]: name one success and one change against the art criteria.

Voice [//]: retain the pupil's own mark, choice, artwork or explanation, with their actual support.

Audience: record the pupil's comment; listen to any clip in full before tagging. Name the choice back and mark [R] only after receipt and a next step.

Influence: use the photo and comment in the Discover log to check the next skill.

Use [WS] for supported work and [I] for independent work. Use [?] to invite a read-back and [//] for a self-edit.

Evidence [E] · ART-BUILD-A2-W01-P2: the assigned adult uploads the selected book item, artwork photo with its observation, or exact response to the evidence app the same day, labelled ART-BUILD-A2-W01-P2. Capture is not closure; a photo alone does not establish understanding.

Staff: mark I, S or C beside the You do response for actual independence, support or choice.
