Teacher and cover plan

1. Lesson code, title and learning goal

HUM-BUILD-A2-W01 · A festival of light

I can show how a lamp can mean more than light.

2. Kit, preparation and safety

This lesson studies how people celebrate. Do not ask about a pupil's belief, family, home practice or loss. No one practises worship. Use drawings or unlit objects only: no flames, heat, scent, food tasting or loud sounds. Do not infer a person's faith from where they live or what an object looks like.

Prepare the four source cards below, two sorting labels (Fits the card / Not shown), and a plain lamp outline. The outline is a small open bowl with a short wick at one edge; no flame. A square card labelled Ball is the contrast option. A diagram or adult description is enough; no unseen photograph or video is needed.

3. Stage timeline and staff moves

Stage / clock	Minutes	Staff move
Arrival 00 to 05 · KEEP	5	Read cards A–C and show the lamp outline and Ball card.
Starter 05 to 08	3	Each pupil chooses privately before any answer is shared.
I do 08 to 14 · KEEP	6	Use the lamp outline and card A.
We do 14 to 22 · KEEP	8	Use two minutes for the guided example, four for the shared sort and two for a reason.
You do 22 to 37 · KEEP	15	Two minutes to choose the route and set out its cards; eleven minutes to respond; final two minutes to review one response.
Exit ticket 37 to 40 · KEEP	3	Choose one tier.

Total: 40 minutes. KEEP marks the stages to retain if time is short.

Main check: 1 Fits card A.

5. Tiers and routes

Choose one Arrival and Exit tier: Supported, Standard or Stretch. Choose one You do route: Independent, Supported, Choice or Aspire. Staff mark I, S or C beside the response for actual independence, support or choice; Aspire is not automatic I.

6. Same-day evidence

The assigned adult uploads one chosen book item, optional photo or brief observation to the evidence app the same day, labelled HUM-BUILD-A2-W01. Record the pupil's exact response, mode and actual prompt used; link only a relevant agreed outcome. A photo alone does not establish understanding.

7. Keep if time runs short

Keep Arrival, the key model, one guided example, the chosen route with its final review, and Exit. Shorten additional shared practice if needed.

8. No cold calling

No cold calling; nobody is asked to read difficult text aloud.

9. Prompt ladder for adults

1. Point to the relevant place / instruction.
2. Ask one short question: "What is it asking you to find?"
3. Rephrase the instruction in simpler language.
4. Provide a scaffold or limited choice.
5. Model the first step only, then return the task to the pupil.
