My kind action pledge

White standard edition

Reflect on a kind action I can take.

A pledge here means an idea you choose to try. You may change your plan.

My one line

I can be kind by ____.

A drawing option

You may draw the action in your book instead. Tell, show or point to who it could help, what you could do and when you could try it. An adult can write your intention as a caption.

My reflection

This may help because ____.

Check my plan

Have I chosen a small action?
Have I said who, what and when?
Have I shown how it may help?

This plan is your choice. No home action, proof or report is needed. You can choose later.
