Sequence and evidence guide

Tuesday 24 November 2026 | P6 | 40 minutes

The discrete ICT sequence

Year A, Autumn 2. Week 1 files and personal information; Week 2 a structured document; Week 3 evaluating sources; Week 4 spreadsheet formulas; Week 5 charts; Week 6 accessible presentation; Week 7 independent task with a paragraph frame, assessing.

This lesson

Tuesday 24 November 2026, P6. Week commencing 23 November. One 40-minute lesson for the LAUNCH pair. Public and school teaching content is identical and generic.

Evidence to retain

One individual saved workbook, a record of cell-reference formulas, initial and changed totals, an explanation, actual support and reopen observation. Do not prefill success from the supplied model.

Print and access

Use the data card, one route and one evidence record for each pupil. Offer the pink PDF or ordinary PDF on pink stock. Share the words page and organiser if useful. No required reading aloud or public answer.

Next lesson

Charts on Tuesday 1 December 2026. Keep each pupil's Week 4 workbook available, while supplying fresh data if it is missing. Week 7 is assessing.
