# Words and paragraph frame

Tuesday 15 December 2026 | P6 | 40 minutes

**source**

Where a fact came from.

**formula**

A calculation made with cell references.

**evidence**

Work or an action that shows a skill.

**independent**

A choice or action you made without a prompt.

**access**

Ways to make the information easier to use.

**review**

Check the work and choose a next step.

**In your book or private document**

I used source ... because ... . My formula ... works out ... . The chart shows ... . I made ... easier to use by ... .

**Keep it clear**

Use a title and a heading. Short sentences help. Use your own task results. You may plan in any language.
