My workplace self assessment

Use your book, usual aid or the blank typed page. Rate what happened in today’s invented workplace task. Keep names and private details out.

Five expectations

Expectation	Look for one clue
1 Readiness and reliability	I checked the task and materials or asked for help to get ready.
2 Respectful communication	I listened or read and used a clear question or reply.
3 Instructions and quality	I checked a step or the finished packs against the order.
4 Safety and help	I kept the area clear or asked before doing an unclear task.
5 Teamwork and responsibility	I agreed a role, shared a useful update or reported a mistake.

My rating for each

I did this. I did this with a prompt. I need another try. Not seen today. A normal aid is part of how you work. Record a prompt that gave you the answer.

One example and next step

Give one thing you did, said, pointed to or wrote. What does it show? Choose one next step and the help you need. Keep the first try and your reply to feedback. You do not need to tell the group.

Private help

Use a trusted adult or the school’s help route. You may pass, pause and return with help.
