Weekly plan row

Friday 5 February 2027 · P1 · 40 minutes · Year A

Careers · LAUNCH · pair · Spring 1 Week 5 · 1–5 February · formative

Theme: Resilience & Change. Six-week term, Week 6 assessing.

Exact weekly outcome

Customer service skills.

Learning and evidence

Same invented paper-pack workplace. Three calm scenes: two-pack request, mild missing-strip complaint, third-pack request. Greet, listen/read, offer an allowed solution, explain a polite limit only when needed, and close. Two rounds with customer/service-worker swap. Each keeps an actual service clue, five-item checklist, short reflection and five Week 1 ratings.

Forty minutes

0–5	**Retrieve expectations and useful clarification; agree access.**
5–13	Model five service steps and honest limits in C.
13–23	Explore A/B/C, rehearse checklist and private hinge.
23–35	Two six-minute rounds; reset and swap customer/worker.
35–40	Service reflection, five ratings, one NS/reply and save.

Access and help

Scripts, brief and usual aid stay visible. Voice, writing, selected lines, exact scribe and adult partner valid. No public performance or speed grade. Polite refusal not needed in A/B; no forced complaint escalation. Private trusted adult/school route, pass/pause/return. C92 exact; source context generic. Where this leads: useful listening and honest customer information.
