Standard customer service pack

Customer service skills.

Use the same invented paper-pack business and service brief. Choose calm A, B or C. One is customer, one service worker. Both keep scripts and usual aid; reset and swap. Adult can partner.

Your task

Use the brief to respond to a calm invented customer, then swap roles. Check the request and offer a relevant fix or polite limit. Use the five-item service checklist with an actual example. Record a short reflection and rate the five Week 1 expectations.

Respond within the brief

Check the actual request. A: offer two checked packs. B: check the missing strip, add/check it and confirm. C: explain only two available and offer those or a supervisor question, with no promise. Confirm what is agreed and thank. Keep one actual clue.

Use the service checklist

Review Greeting, Listening, Simple solution, Polite limit and Closing. Use the brief and your actual exchange. No refusal needed in A/B; do not invent one. Use Not seen yet for an unobserved step and explain a useful next check.

Time and help

Round one 23–29; reset/swap and round two 29–35. Times are guides, not speed grades. Use calm written lines, voice, aid or selected words. No public performance. Trusted adult/school help route; pass/pause/return. Record actual turns.

Standard reflection and review

Keep your own service checklist and task record. Book/usual aid or blank Type instead is valid. Do not claim a role, phrase or fix that did not happen.

Short reflection

One thing I did to help the customer was… Or use: A phrase or aid that helped was… / I did not try this part yet; the help I need is…

Week 1 expectation	Evidence clue
Readiness and reliability	I checked the task and materials or asked for help to get ready.
Respectful communication	I listened or read and used a clear question or reply.
Instructions and quality	I checked a step or finished work against the instruction.
Safety and help	I kept the area clear or asked before doing an unclear task.
Teamwork and responsibility	I agreed a role, shared a useful update or reported a mistake.

Rate and improve

Week 1 ratings: I did this; I did this with a prompt; I need another try; Not seen today. Service checklist states: Seen; With a prompt; Not needed in this scene; Not seen yet. They serve different checks. Polite limit is conditional; A/B do not need refusal. Normal aids are access; record supplied thinking separately. Keep first try, one NS/reply and review time.

Private help

Trusted adult or school help route. Adult can partner; voice, aid, writing, selected words or exact scribe valid. Scribe reads back and permits corrections. Pass, pause and return. No personal customer history or public performance needed.
