Careers · LAUNCH · pair · Spring 1 Week 6 · 8–12 February · assessing week

Theme: Resilience & Change. Six-week term; this is the assessing week.

Exact weekly outcome

Work-experience reflection.

Learning and evidence

Four-part reflection from actual half-term work or a real placement if one happened: what I did, learned, would do differently, and which expectations I met. Keep actual mode/date/task/reference and gaps. Learner completes own five Week 1 ratings. Teacher separately reviews all six exact outcomes in a blank tick-and-comment grid using actual evidence.

Forty minutes

0–5	Find actual work; agree mode/access and missing items.
5–13	Model evidence-linked reflection with an honest gap.
13–23	Match claims to work, rehearse frames and private hinge.
23–35	Each learner makes an own four-part reflection.
35–40	Five learner ratings, next step/reply and save.

Access and help

Book/usual aid default; typing, exact scribe/readback and private adult review valid. No invented placement, completed task or copied model as personal evidence. Missing opportunity stays visible. Trusted adult/school help route; pass/pause/return. C93 exact; assessing week. Where this leads: honest reflection and a useful future adjustment.
