Week 7 Lesson 1 • Part D • 14–18 December 2026

I can choose what I enjoyed and what I learnt to do.

I can look back at my own art and records.

I can show one thing I liked and say why.

I can show one thing I learnt to do.

enjoy — To like what you do.

achieve — To learn or do a new thing through your own work.

audience — The people who see or hear your share.

evidence — A record of what you did or learnt.

My record: D_Share.pdf • page 1

The real share has its own date, audience and record.
