Clear instructions checklist

Use your book or normal aid. Optional Type instead fields are blank. Review the whole task card: its goal, parts, four steps and help line. Use your own judgements, not an adult model.

Check	What to look for	My check
Goal	Does it say what to make?	
Parts	Does it list what is needed?	
Order	Are the steps numbered, with one main action at a time?	
Exact words	Are the number and place clear?	
Finish check	Does it say how to check the result?	
Help	Does it say what to do if a step is unclear?	

For each: Clear; Needs a change; Not checked yet. Say or show one reason. Choose one change that would help; keep it in your task record.
