# Stretch customer service pack

Customer service skills.

Use the same invented paper-pack business and service brief. Choose calm A, B or C. One is customer, one service worker. Both keep scripts and usual aid; reset and swap. Adult can partner.

### Your task

Explain why a response fits the request and stays within the service brief. Improve one phrase so it gives a useful next step without an unsupported promise. Explain a limit of this short role-play. Swap roles and keep the same service checklist, reflection and five expectations; extra writing optional.

### Improve a response

Explain how a reply checks the request and fits the service brief. Improve one phrase so a limit gives an honest next step. Do not promise an extra pack or time. Use the five service checks with one actual clue; more writing is optional.

### A limit of the evidence

One short calm practice does not show all customer-service situations or workplace competence. Explain one further practice opportunity that would help. Keep access aids and the same checklist; no confrontation or personal story is needed.

### Time and help

Round one 23–29; reset/swap and round two 29–35. Times are guides, not speed grades. Use calm written lines, voice, aid or selected words. No public performance. Trusted adult/school help route; pass/pause/return. Record actual turns.

# Stretch reflection and review

Keep your own service checklist and task record. Book/usual aid or blank Type instead is valid. Do not claim a role, phrase or fix that did not happen.

### Short reflection

One thing I did to help the customer was… Or use: A phrase or aid that helped was… / I did not try this part yet; the help I need is…

| Week 1 expectation | Evidence clue |
|---|---|
| Readiness and reliability | I checked the task and materials or asked for help to get ready. |
| Respectful communication | I listened or read and used a clear question or reply. |
| Instructions and quality | I checked a step or finished work against the instruction. |
| Safety and help | I kept the area clear or asked before doing an unclear task. |
| Teamwork and responsibility | I agreed a role, shared a useful update or reported a mistake. |

### Rate and improve

Week 1 ratings: I did this; I did this with a prompt; I need another try; Not seen today. Service checklist states: Seen; With a prompt; Not needed in this scene; Not seen yet. They serve different checks. Polite limit is conditional; A/B do not need refusal. Normal aids are access; record supplied thinking separately. Keep first try, one NS/reply and review time.

### Private help

Trusted adult or school help route. Adult can partner; voice, aid, writing, selected words or exact scribe valid. Scribe reads back and permits corrections. Pass, pause and return. No personal customer history or public performance needed.
