Outcome and kit

Work-experience reflection.

Actual half-term books/saved work, four reflection cards, portfolio list, tier pack, vocabulary, Evidence Sheet and usual aids. No new practical task or real employer/place names. Mark missing work; do not invent a placement.

Run the reflection

Time	Action
0–5	Find actual evidence; confirm mode/date/access and gaps.
5–13	Model four parts: one pack checked, another pending. CfU only one checked; asking help is a next step, not seen action.
13–23	Match claims to work. Main B actual check/gap/next step; parallel A own evidence or gap rather than copied model.
23–35	Each learner reflects on own actual activity using four parts and usual aids.
35–40	Own five expectation ratings; one NS/reply/help/review time; save.

Teacher review

Assessing week. Evidence Sheet page 4 has six exact outcomes with blank tick/comment cells. Tick only from actual evidence; comment with reference, support, gaps/follow-up. Complete during or after lesson. Keep learner’s five self-ratings separate; never prefill. Offer to Communication portfolio.

Access and private help

Book/usual aid, typing or exact scribe; read back and correct. Private trusted adult/school route, pass/pause/return. No public performance or personal history required. Unobserved is not proof of failure.
