Reference sheets

Reference A · Autumn science evidence records, clues, and limits

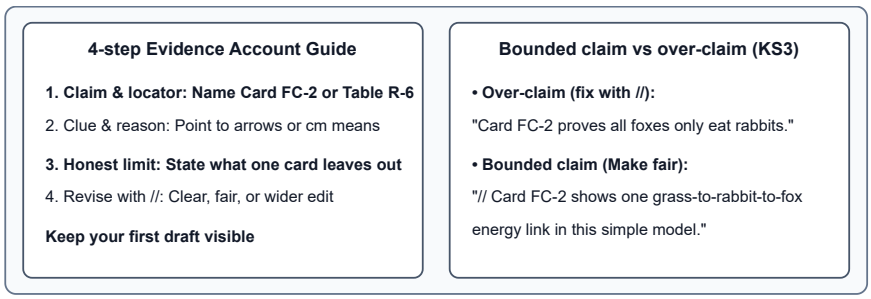

Autumn evidence records table. It shows Card FC-2, Table R-6, Model G-1, limits, and revision moves.

Reference only. Do not write on this sheet. Use these locators and clues to support your science account.

Locator code.	Observed clue on record.	Key Stage 3 science meaning.	Honest model or test limit.
1. Card FC-2 (Food-chain diagram).	Labelled arrows point from Grass to Rabbit and from Rabbit to Fox.	Arrows show energy transfer from producer to primary and secondary consumers.	Shows one three-species chain; omits energy amounts and other wild prey.
2. Table R-6 (Rover six-run table).	Smooth: 48, 51, 49 cm (mean 49, range 3). Fabric: 27, 29, 28 cm (mean 28, range 2).	Lower contact friction on smooth surface opposed rover motion less than fabric.	Tested only one unpowered classroom toy across two flat indoor strips.
3. Model G-1 (Torch and turning globe).	A marked spot on the rotating ball turns from the torch beam into shadow.	Earth's rotation on its axis brings the daily cycle of day and night.	The torch and classroom ball are not to real astronomical size or distance.

Reference B · Four-step Evidence Account frame and // revision moves

Four-step Evidence Account guide. It shows linking locators, stating limits, and making // revisions.

Revision move.	Sentence stem for your book.	What to check before and after //.
1. Make clear (Add locator & term).	On [locator], the clue ___ shows ___.	Did you name Card FC-2, Table R-6, or Model G-1 and the science word?
2. Make fair (Bound the claim).	// In this model (or in this test), ___ shows ___, but cannot show ___.	Did you narrow 'all/everywhere' to what this record actually shows?
3. Make wider (Link a 2nd record).	// A second autumn record, [locator], also shows ___ because ___.	Did you connect a second real record from Reference A?
4. Honest gap (No guessing).	If a source or measurement is missing, write 'not found yet'.	Did you stay honest instead of inventing a number?

Made by Matt

Tier pack · Independent

Use Reference A and Reference B. Work in your book or on this sheet. Point, speak, sign, draw, type, write, or tell an adult. You may pass.

Arrival · 4 questions

1. Use Box 1 of the arrival drawing. State the locator code and what the arrows on Card FC-2 show.

Help. Name the card code and the meaning of the arrows.

2. Look at Box 2. State one limit of using Card FC-2 as evidence about real ecosystems.

Help. Check Box 2 for what one food-chain card leaves out.

3. Look at Box 2 and Box 3. Why is 'Card FC-2 proves all foxes only eat rabbits' an over-claim?

Help. Compare one diagram with all wild foxes.

4. Look at Box 3. Name the three revision moves we can use after //.

Help. Check the three bullets in Box 3.

You do tasks

1. Use Reference A. Build an evidence account for one autumn record. State the locator, claim, clue, and science reason. **Staff I ☐ S ☐ C ☐**

Help. Include the locator code and the Key Stage 3 science term.

2. Use Reference A. State one honest limit of your chosen record. Then link a second autumn record from Reference A. **Staff I ☐ S ☐ C ☐**

Help. Choose a second row on Reference A and state its locator and clue.

3. Use Reference B. Apply one revision move after // in the same colour. Choose Make clear, Make fair, or Make wider. **Staff I ☐ S ☐ C ☐**

Help. Check Steps 1 to 3 on Reference B.

Optional participation-loop prompt. Share your evidence claim and limit with an adult. Hear one feedback step. Reply below or with // in your book. (Staff: the pupil responds to feedback with an adult, and R is marked only after the pupil has responded.)

Exit ticket

1. State the locator, clue, and science meaning for Card FC-2.

2. Why must we change 'Card FC-2 proves all foxes only eat rabbits' during recap?

3. Name one locator and clue from a second autumn record on Reference A.

Pupil voice

What helped you today, and what would you change?

Point, speak, sign, draw, write or choose. You may pass.

Feedback and response · Independent

Feedback codes

Staff I ☐ S ☐ C ☐ · Route card feedback boxes: VF ☐ · WS ☐ · I ☐ · E ☐ · NS + … ☐ · R ☐ · // ☐ · ? ☐

Code	Meaning
VF	Verbal feedback
WS	Worked with support
I	Independent
NS + …	Next step
E	Evidence captured
R	Pupil responded to feedback
//	Self-edit point
?	Read this back to me

My response

My response: Record one response to feedback in your usual mode. You may pass.

Adult checks the response and ticks it, or writes R (Pupil responded to feedback).
