Teacher and cover plan

1. Lesson code, title and learning goal

ART-BUILD-A2-W01-P1 · Explore — Festival light patterns
I can plan a light pattern.

2. Kit, preparation and safety

Use pencils, pastels or chalk, coloured and dark paper, and optional glue.
Any scissors are used with adult care; prepare cut shapes in advance so cutting is never required.
Use no flames.
Keep chalk on the paper and do not blow dust.
Prepare DOT / RING / RAY / LAMP cards: dot = a filled round spot; ring = a round line with an empty middle; ray = one short straight line; lamp = a plain oval outline with three short rays above it, with no flame.
Prepare matching bright yellow, pink and light blue colour cards, dark paper and pale yellow paper.
Announce each short task, use a predictable short count-in with a matching hand gesture, and show a flat hand for STOP.
At STOP, pause marks or card moves and rest tools on the table.

3. Stage timeline and staff moves

Stage / clock	Minutes	Staff move
Arrival 00 to 05	5	Show the dot, ring, ray and lamp cards, then Examples A and B.
Starter 05 to 08	3	Give thinking time; every pupil chooses before the answer is shared.
I do 08 to 14 · KEEP	6	Spend four minutes showing the shapes, repeating a pair and comparing Example C, then two minutes on the four words and a pupil choice.
We do 14 to 22 · KEEP	8	Allow two minutes for the guided example, four for every pupil's shape and repeat choices and two for the colour plan.
You do 22 to 37 · KEEP	15	Two minutes to choose and set up; eleven minutes to explore or direct and record; final two minutes to review one choice.
Exit ticket 37 to 40 · KEEP	3	Use one tier and the shape/colour cards with Examples A–C.

Total: 40 minutes. KEEP marks the stages to retain if time is short.

Teacher and cover plan · continued

4. Key answers

Supported	Standard	Stretch
Arrival 1. The filled round spot. 2. A round line with an empty middle. 3. The three light blue rays above a lamp sign in B. 4. Dot or ring; either pupil choice is valid. **Exit ticket** 1. Dot, ring, dot, ring. 2. Dark paper; note visual access issues separately. 3. Any chosen bright colour from the pupil's plan.	**Arrival** 1. A yellow dot and a pink ring. 2. A pink ring. 3. The lamp sign: yellow oval with three light blue rays. 4. Any two supplied colours, chosen by the pupil. **Exit ticket** 1. Marks put in an order. 2. Use the same bit again. 3. Their chosen shape(s) and two or three colours.	**Arrival** 1. A dot is filled; a ring has an empty middle. 2. Yellow dot, then pink ring; the pair repeats three times. 3. Yellow oval, three light blue rays, or their same arrangement. 4. Yes; repeat a blue-dot/pink-ring pair, keeping the shape order. **Exit ticket** 1. Both repeat bright marks on dark paper; other accurate similarities valid. 2. A reason linked to visibility, or another clear art reason. 3. No; different bright colour choices can work on dark paper.

Main check: One chosen shape in a two- or three-colour unit, with that unit shown twice in the same order.

5. Tiers and routes

Choose one Arrival and Exit tier: Supported, Standard or Stretch. Choose one You do route: Independent, Supported, Choice or Aspire. Staff mark I, S or C beside the response for actual independence, support or choice; Aspire is not automatic I.

6. Same-day evidence

The assigned adult records the pupil's own response, mode and actual prompt used; uploads one book item or observation to the evidence app the same day, labelled ART-BUILD-A2-W01-P1. For the Discover log, keep a trial-pattern photo with a scribed line or pupil comment. A photo alone does not show understanding. No public display required.

7. Keep if time runs short

Keep the modelled repeat, one guided example, the pupil's own shape and colour plan, and a brief Exit response. Shorten extra trials; retain the review of one choice.

8. No cold calling

No cold calling; nobody is asked to read difficult text aloud.

9. Prompt ladder for adults

1. Point to the relevant place / instruction.
2. Ask one short question: "What is it asking you to find?"
3. Rephrase the instruction in simpler language.
4. Provide a scaffold or limited choice.
5. Model the first step only, then return the task to the pupil.
