Make — A small light artwork

Today I can… □ make bright marks contrast with a dark ground. □ repeat a shape or pair of shapes. □ show one strength and one change.
Feedback: □ VF □ WS □ I □ NS □ E □ R □ [//] □ [?] _____

Teacher and cover plan

1. Lesson code, title and learning goal

ART-GROW-A2-W01-P2 · Make — A small light artwork
I can make and review a small light artwork.

2. Kit, preparation and safety

Use pencils, pastels or chalk, coloured and dark paper, and optional glue and scissors with adult care.
No flames or real lights are used.
Prepare small dark-paper rectangles and optional pre-cut shapes before the lesson so time is spent choosing and making.
The adult checks scissors, supervises their use and offers pre-cut shapes or a director role.
Keep materials on the work surface, avoid blowing chalk dust and clean hands after use.
Offer a pencil or paper shapes if a texture is uncomfortable.
Prepare one unfilled dark-paper row for the guided example, and a separate test scrap for the adult's small mark change.
Announce a brief count-in before the first making step; mirror it with a visible gesture, then use the agreed flat-hand STOP cue for a pause.

3. Stage timeline and staff moves

Stage / clock	Minutes	Staff move
Arrival 00 to 05	5	Show and describe A and B using the shared notes.
Starter 05 to 08	3	Let every pupil choose privately; a pupil can point to A's dark ground and follow its repeated pair to show the reason.
I do 08 to 14 · KEEP	6	Four minutes to model a small artwork and its review, then two for vocabulary and a check.
We do 14 to 22 · KEEP	8	Two minutes for the guided example, four for each pupil/pair to plan and try or direct, and two for a check.
You do 22 to 37 · KEEP	15	Two minutes to set up the route and response mode; eleven to plan, make/direct and record; final two to review and make one revision.
Exit ticket 37 to 40 · KEEP	3	Use one tier; keep the model images and the pupil's artwork or directed plan visible.

Total: 40 minutes. KEEP marks the stages to retain if time is short.

4. Key answers

Supported	Standard	Stretch
Arrival 1. Dark; very dark blue. 2. A yellow ring. 3. A; its dark ground contrasts with the yellow outline. 4. Stop. **Exit ticket** 1. Locate light-dark contrast in their artwork or directed plan. 2. Locate a strength consistent with the artwork: contrast or repeat. 3. Identify the feature changed; an unexplained point is insufficient.	**Arrival** 1. Yellow ring, then orange dot. 2. Warm marks; the dark blue ground belongs to the cool group. 3. Dark blue ground becomes pale yellow; the marks stay unchanged. 4. Three times; six marks. **Exit ticket** 1. Explain their contrast; noticing weak contrast and planning change is valid. 2. Link a positive judgement to a specific feature. 3. Name a planned/tested change and a fitting reason.	**Arrival** 1. Same marks/order/size/spacing; grounds differ, changing the rings' visibility. 2. Yes, if sufficiently light and distinct from the ground. 3. A visible strength: clear yellow rings or a clear repeated pair. 4. Change gaps while keeping the three ring/dot pairs identifiable. **Exit ticket** 1. Test a lighter mark or thicker light outline; compare visibility. 2. Locate a precise feature supporting the claimed strength. 3. Explain the revised feature's effect and the identifiable retained repeat.

Main check: Two identifiable repeats of the chosen pair on a dark ground, with a located contrast and an order check.

5. Tiers and routes

Choose one Arrival and Exit tier: Supported, Standard or Stretch. Choose one You do route: Independent, Supported, Choice or Aspire. Staff mark I, S or C beside the response for actual independence, support or choice; Aspire is not automatic I.

6. Same-day evidence

The assigned adult records the pupil's own response, mode and actual prompt used; files a book item or observation in the evidence app the same day, labelled ART-GROW-A2-W01-P2. Arts evidence goes in the Explore log. Any optional photo needs an observation; a photo alone does not show understanding. No public display required.

7. Keep if time runs short

Keep the contrast-and-repeat model, the pupil's private guided choice, the small artwork, and one strength and change with a small test. Retain the Exit checks; shorten extra trial versions.

8. No cold calling

No cold calling; nobody is asked to read difficult text aloud.

9. Prompt ladder for adults

1. Point to the relevant place / instruction.
2. Ask one short question: "What is it asking you to find?"
3. Rephrase the instruction in simpler language.
4. Provide a scaffold or limited choice.
5. Model the first step only, then return the task to the pupil.
