Map symbols and grid references

Today I can… ☐ identify features using the key. ☐ give a four-figure grid reference and direction. ☐ explain what a reference shows and what it leaves out.

Feedback: ☐ VF ☐ WS ☐ I ☐ NS ☐ E ☐ R ☐ [//] ☐ [?] _____

Teacher and cover plan

1. Lesson code, title and learning goal

HUM-LAUNCH-A2-W01 · Map symbols and grid references

I can use a map key and grid references to locate features.

2. Kit, preparation and safety

Prepare the complete invented practice map and its key from the specification below. No external map, hidden asset or prior lesson is needed. All locations and measurements are practice data. This is an indoor map-skills lesson; no journey or fieldwork is required.

3. Stage timeline and staff moves

Stage / clock	Minutes	Staff move
Arrival 00 to 05 · KEEP	5	Show the map, key and context card.
Starter 05 to 08	3	Every pupil decides privately before an answer is shared; any pupil can pass.
I do 08 to 14 · KEEP	6	Use the library for the four-figure model.
We do 14 to 22 · KEEP	8	Two minutes for the guided example, four for the checks, two to explain or amend one choice.
You do 22 to 37 · KEEP	15	Allow two minutes for route/setup, eleven minutes for responses and the final two for a check.
Exit ticket 37 to 40 · KEEP	3	Choose one tier.

Total: 40 minutes. KEEP marks the stages to retain if time is short.

Teacher and cover plan · continued

4. Key answers

Supported	Standard	Stretch
Arrival 1. A town; a place where people live. 2. Post office. 3. Up. 4. 10–14; these label the eastings. **Exit ticket** 1. Footbridge. 2. 1020. 3. A square.	**Arrival** 1. A place where people live, such as a village or town. 2. Sch: school. FB: footbridge. 3. North; directly above the school on this north-up map. 4. Bottom: 10–14. Side: 20–24. **Exit ticket** 1. Post office; this map's key. 2. 1121. 3. Different features can occupy the same whole grid square.	**Arrival** 1. A village usually has fewer people or services; exceptions exist. 2. PO: post office. Sch: school. 3. South-west: one square left and one down. 4. Bottom: 10–14. Side: 20–24. **Exit ticket** 1. Symbols can vary; this key verifies the feature. 2. 122214. 3. A smaller 100 m square, with greater but finite precision.

Main check: 1 School, 1020.

5. Tiers and routes

Choose one Arrival and Exit tier: Supported, Standard or Stretch. Choose one You do route: Independent, Supported, Choice or Aspire. Staff mark I, S or C beside the response for actual independence, support or choice; Aspire is not automatic I.

6. Same-day evidence

The assigned adult uploads one chosen book item, optional photo or brief observation to the evidence app the same day, labelled HUM-LAUNCH-A2-W01. Record the pupil's exact response, mode and actual prompt used; include only a relevant agreed outcome observation. A photo alone does not establish understanding.

7. Keep if time runs short

Keep Arrival, the key model, one guided example, the chosen route with its final review, and Exit. Shorten additional shared practice if needed.

8. No cold calling

No cold calling; nobody is asked to read difficult text aloud.

9. Prompt ladder for adults

1. Point to the relevant place / instruction.
2. Ask one short question: "What is it asking you to find?"
3. Rephrase the instruction in simpler language.
4. Provide a scaffold or limited choice.
5. Model the first step only, then return the task to the pupil.
