In your book: One shape pair, in marks, words or pictures.

Some people use lights and art at a festival.

We will plan a made-up light picture.

1. A dot is a round spot. A ring is a round line.
2. A ray is a short line. These rays go out from our lamp.
3. In A, I see a dot, then a ring. I see that pair again.

In B, I see a row of lamps. The same lamp is used again.

These bright marks stand out on dark paper.

I will use a yellow dot, then a pink ring.

I can use this pair again to make my pattern.

You may choose new shapes and colours.
