A review with evidence

Today I can… ☐ describe a feature I can check. ☐ explain and qualify my judgement. ☐ recommend a work to an audience, with a reason.

Feedback: ☐ VF ☐ WS ☐ I ☐ NS ☐ E ☐ R ☐ [//] ☐ [?] _____

Teacher and cover plan

1. Lesson code, title and learning goal

ART-LAUNCH-A2-W01 · A review with evidence

I can support an arts review with evidence and recommend it to an audience.

2. Kit, preparation and safety

Prepare two plain rectangular images before the lesson.
Show both throughout.
No names, logos or branding appear on them.
Prepare four category cards: Feature / Interpretation / Recommendation / Unsupported claim.
Prepare the four sentence cards printed in We do.
Provide two plain audience cards: Viewers who enjoy abstract images / Viewers seeking a detailed, lifelike portrait.
Read all cards aloud.
Offer large, high-contrast copies and a spoken description of each artwork.
Make a private adult-listener option available.

3. Stage timeline and staff moves

Stage / clock	Minutes	Staff move
Arrival 00 to 05	5	Display Flow and Crossing with their titles.
Starter 05 to 08	3	Read both once.
I do 08 to 14 · KEEP	6	Model a short practice review using the visible Flow image.
We do 14 to 22 · KEEP	8	Give each pupil the four category choices or symbols.
You do 22 to 37 · KEEP	15	All work here is CLASSROOM PRACTICE, using the fully specified mini-gallery.
Exit ticket 37 to 40 · KEEP	3	Use one tier.

Total: 40 minutes. KEEP marks the stages to retain if time is short.

A review with evidence

Today I can… □ describe a feature I can check. □ explain and qualify my judgement. □ recommend a work to an audience, with a reason.

Feedback: □ VF □ WS □ I □ NS □ E □ R □ [//] □ [?] _____

Teacher and cover plan · continued

4. Key answers

Supported	Standard	Stretch
Arrival 1. Orange. 2. Straight; the strips run diagonally. 3. Three bands; “best” is a judgement. 4. People viewing the art. **Exit ticket** 1. Accurately locate a feature used in the review. 2. A possible effect, needing feature support; not a colour. 3. A fitting audience and feature-based reason; no prescribed audience.	**Arrival** 1. For example, the small orange circle above Flow’s curved bands. 2. Flow: curved bands. Crossing: straight diagonal strips. 3. The cropped circle is checkable; “exciting” needs supporting reasons. 4. To explain who might value the work and why. **Exit ticket** 1. Accurate feature with a clear link to the judgement. 2. A plausible alternative or real limit; no invented fault required. 3. A specific audience linked to a feature or experience.	**Arrival** 1. For example, orange/blue contrast could draw attention; alternatives need features. 2. Curves may suggest flow; diagonals tension. Cite each work’s feature. 3. No; shapes do not prove the maker’s feelings or intention. 4. Name an audience and link the recommendation to a feature. **Exit ticket** 1. A located feature supports discussion; “good” provides no evidence or criterion. 2. Interpretation does not establish intention; reliable contextual evidence is needed. 3. A fair limit linked to interests; do not assume group taste.

Main check: 1 Feature; 2 Interpretation; 3 Recommendation, supported by a feature; 4 Unsupported claim.

5. Tiers and routes

Choose one Arrival and Exit tier: Supported, Standard or Stretch. Choose one You do route: Independent, Supported, Choice or Aspire. Staff mark I, S or C beside the response for actual independence, support or choice; Aspire is not automatic I.

6. Same-day evidence

The assigned adult records the artwork, exact review or selected evidence, response mode and actual support. File a book item, before-and-after photo of the upgraded claim or brief observation in the evidence app the same day, labelled ART-LAUNCH-A2-W01. Record how the listener received and checked the pupil’s meaning. A photo alone does not establish reasoning.

7. Keep if time runs short

Keep the feature-to-judgement model, one guided classification, the pupil's evidence-based review and listener check, and the three brief Exit checks. Shorten extra comparison writing; preserve a checked or revised claim.

8. No cold calling

No cold calling; nobody is asked to read difficult text aloud.

9. Prompt ladder for adults

1. Point to the relevant place / instruction.
2. Ask one short question: "What is it asking you to find?"
3. Rephrase the instruction in simpler language.
4. Provide a scaffold or limited choice.
5. Model the first step only, then return the task to the pupil.
