TA brief

Read each pupil prompt aloud; show one short task at a time. For EVERY task, pupils may point, speak, sign, use symbols, draw or write. Invite everyone, allow quiet thinking time and accept a private response. No cold calling. Any pupil may pass. An adult may record the pupil's own gesture, choice or exact words. A pass needs no book entry. No board copying or typing is needed.

Choose one Arrival tier and one Exit tier, not all three. Read the four Arrival questions and three Exit checks in that tier; responses can be brief. Keep all Answer (adult) lines out of pupil view until pupils have responded. Choose one You do route; its separate page is an alternative, not an extra task.

This lesson studies how people celebrate. Do not ask about a pupil's belief, family, home practice or loss. No one practises worship. Use drawings or unlit objects only: no flames, heat, scent, food tasting or loud sounds. Do not infer a person's faith from where they live or what an object looks like.

Prepare the four source cards below, two sorting labels (Fits the card / Not shown), and a plain lamp outline. The outline is a small open bowl with a short wick at one edge; no flame. A square card labelled Ball is the contrast option. A diagram or adult description is enough; no unseen photograph or video is needed.

Adult-only EHCP note: Outcome opportunities are communication and interaction (show a choice or reason), cognition and learning (link an object to a meaning), SEMH (use an agreed pause and return), and sensory or physical access (choose an accessible response mode). Observe only the pupil's relevant agreed target. Regulation strategy: show 'first one card, then a quiet pause'; after the pause, point to the single next card.

Same-day evidence — HUM-BUILD-A2-W01: The assigned adult records the pupil's exact response, response mode and actual prompt used, and uploads one chosen book item, optional photo or brief observation to the evidence app the same day, labelled HUM-BUILD-A2-W01. Link an observation to the relevant agreed outcome where appropriate. A photo alone does not establish understanding.

TA brief

1. Read cards A–C aloud and set out the unlit lamp outline, not a live flame. Do not ask for personal belief, family details or loss.

2. Invite every pupil to choose privately before a reveal. Offer point, speak, sign, symbols, draw or write; any pupil may pass. No cold calling.

3. Use one Arrival tier, one Exit tier and one You do route. Hide adult answers; note whether a clue, frame or choice was used.

4. In We do, keep every pupil active with their own choice signal. For the display label, check the pupil links the lamp to its meaning; avoid turning 'many' into 'all'.

5. Give one private next step, allow the final two-minute check, and upload the pupil's own response to the evidence app the same day, labelled HUM-BUILD-A2-W01. Record only relevant agreed EHCP outcomes.

Arrival · 5 minutes

Adult note: Read cards A–C and show the lamp outline and Ball card. These are supplied clues, not a test of prior religious knowledge. Use one tier. Accept short responses and record the support used.

Starter · 3 minutes

Adult note: Each pupil chooses privately before any answer is shared. Read all options. A pupil may pass.

I do · 6 minutes

Adult note: Use the lamp outline and card A. Model the three steps slowly, then read the four short word meanings. Do not light an object or act out a religious practice.

Adult page-build cue: show each must-know word with a picture or symbol: festival, lamp, symbol, respect.

We do · 8 minutes

Adult note: Use two minutes for the guided example, four for the shared sort and two for a reason. Give each pupil their own two choice cards or an agreed gesture. Everyone decides privately before a volunteer or adult moves a shared card. Nobody must speak to the group.

TA brief

You do · 15 minutes

Adult note: Two minutes to choose the route and set out its cards; eleven minutes to respond; final two minutes to review one response. Give one success and one small next step. Invite a self-edit marked //, or record the pupil's own spoken, signed or pointed improvement. All four routes use cards A–C and the lamp outline. Show only the chosen route page. Record I, S or C for actual independence/support/choice; Aspire does not automatically mean I.

Name the pupil's link back to them before you record it.

Staff: mark I, S or C beside the label (Independent, Supported or Choice).

Exit ticket · 3 minutes

Adult note: Choose one tier. Read three brief checks; pupils can answer privately by pointing or another mode. Leave source cards available and note their use. Record one response; do not turn three checks into an extended written task.

TA brief · feedback and prompt ladder

Prompt ladder for adults

1. Point to the relevant place / instruction.
2. Ask one short question: "What is it asking you to find?"
3. Rephrase the instruction in simpler language.
4. Provide a scaffold or limited choice.
5. Model the first step only, then return the task to the pupil.

No cold calling; nobody is asked to read difficult text aloud.

Space: allow quiet thinking and a private response.

Feedback [VF]: model naming a place or object and why it matters.

Voice: keep the pupil's own placement, symbol, gesture or words, with their reason.

Audience: name the pupil's reason back to them; mark [R] only once received.

Influence: use the reason to choose the next concrete scaffold.

Use [WS] for supported work and [I] for independent work. Use [?] to invite a read-back and [//] for a self-edit.

Evidence [E] · HUM-BUILD-A2-W01: the assigned adult uploads the selected book item, artwork photo with its observation, or exact response to the evidence app the same day, labelled HUM-BUILD-A2-W01. Capture is not closure; a photo alone does not establish understanding.

Staff: mark I, S or C beside the You do response for actual independence, support or choice.
