TA brief

For EVERY task, pupils may point, speak, sign, use symbols, draw or write. Read prompts aloud; allow thinking time and a private response. No cold calling. Any pupil may pass. An adult can record the pupil's own gesture, choice or exact words; a pass needs no book entry. No board copying or typing is needed.

Choose one Arrival tier and one Exit tier. Four short Arrival responses and three short Exit responses are enough; do not require all tiers. Keep Answer (adult) lines hidden until after responses. Each You do route has its own text page; pupils complete one route.

This is map learning within belief, festivals and belonging. Discuss the supplied community example, not pupils' own beliefs, families or losses. A country does not have just one faith or one way to celebrate. Do not infer an individual's belief from a place marker. No religious participation is required.

Prepare the locator map, place cards and three ocean labels from the complete specification below. A printed atlas may be an optional check, but the lesson needs no external page, link or app.

Adult-only EHCP note: Outcome opportunities are cognition and learning (follow a search-and-check sequence), communication and interaction (explain a location with a clue), SEMH (ask for a pause or a private response), and sensory or physical access (direct marker placement using a chosen mode). Observe only the pupil's relevant agreed target. Regulation strategy: uncover one country at a time, then offer a short eyes-away pause before returning to its ocean.

Same-day evidence — HUM-GROW-A2-W01: The assigned adult records the pupil's exact response, response mode and actual prompt used, and files one chosen book item, optional photo or brief observation the same day under HUM-GROW-A2-W01. Include a relevant agreed outcome observation if appropriate. A photo alone does not establish understanding.

1. Prepare the complete locator, index, key and place cards. Country dots are approximate markers, not boundaries; do not turn them into claims about people's beliefs.

TA brief

2. Give one task at a time and private thinking time. Offer point, speak, sign, symbols, draw or write; any pupil may pass. No cold calling or personal disclosures.

3. Use one Arrival tier, one Exit tier and one You do route. Keep adult answers hidden until response time; note reading access and content prompts separately.

4. During We do, let every pupil make a private map choice before the shared labels move. Check whether they use the index, key and source card to support the choice.

5. Keep the final two-minute review inside You do. File the pupil's own location evidence and actual support the same day under HUM-GROW-A2-W01; link only relevant agreed EHCP targets.

Arrival · 5 minutes

Adult note: Read the map key and place cards aloud. These supplied clues let pupils begin without earlier lessons. Use one tier and keep answers brief. They are not a test of prior learning.

Starter · 3 minutes

Adult note: Pupils decide privately first; reveal together. Any pupil can pass.

I do · 6 minutes

Adult note: Model with the UK. Cover unused cards, then reveal them after the model. Keep the north arrow visible. Read each short step and point as you speak.

We do · 8 minutes

Adult note: Use two minutes for the guided example, four for pupil choices and two for reasons. Every pupil has an A/B/C choice and Europe/Asia plus ocean labels, or equivalent symbols. Each pupil decides privately before a volunteer or adult places a shared marker or label. Partners can compare after the first decision. No cold calling; passing is allowed.

You do · 15 minutes

Adult note: Two minutes to choose a route and set out the map/index/cards, eleven minutes to respond, final two minutes to review. Keep the map and its key available. Record I, S or C for actual independence, support or choice; Aspire does not automatically mean I. Give one precise success against the 'Today I can' points and one next step. Pupils check one match and self-edit with // or show an improvement in another mode. Only one route page is used.

TA brief · feedback and prompt ladder

Prompt ladder for adults

1. Point to the relevant place / instruction.
2. Ask one short question: "What is it asking you to find?"
3. Rephrase the instruction in simpler language.
4. Provide a scaffold or limited choice.
5. Model the first step only, then return the task to the pupil.

No cold calling; nobody is asked to read difficult text aloud.

Space: allow quiet thinking and a private response.

Feedback [VF] [NS]: give one precise success and one next step against the criteria.

Voice [//] [I]: retain the pupil's own source-based choice, account or edit.

Audience: read against the criteria and name the change; mark [R] only after the response has been received. An account may be received later.

Influence [NS]: use the response to select the next enquiry scaffold.

Use [WS] for supported work and [I] for independent work. Use [?] to invite a read-back and [//] for a self-edit.

Evidence [E] · HUM-GROW-A2-W01: the assigned adult uploads the selected book item, artwork photo with its observation, or exact response to the evidence app the same day, labelled HUM-GROW-A2-W01. Capture is not closure; a photo alone does not establish understanding.

Staff: mark I, S or C beside the You do response for actual independence, support or choice.
