

Read an OS symbol and a grid reference together

I am learning to read an OS symbol and a grid reference together.

Picture idea

A clean OS-style grid with one highlighted square and a separate key for one map symbol.
Staff can add a licensed or original image here.

Key words · words and symbols

symbol

WIDGET SYMBOL SLOT

key

WIDGET SYMBOL SLOT

easting

WIDGET SYMBOL SLOT

northing

WIDGET SYMBOL SLOT

Can you find...?

1. What explains the map symbol?
2. Which numbers come first?
3. What does four figures locate?

How I'll know I've got it: I can find all three answers and use one source detail to explain a choice.

Use gis to describe a place with a checked layer

I am learning to use GIS to describe a place with a checked layer.

Picture idea

A projected digital map with two toggleable layers and a large legend, without a real pupil location.

Staff can add a licensed or original image here.
