S2 Care at a festival

A festival is a special time people mark. Objects may matter to people. People may use them in different ways.

A lantern might be for a display. Cloth might cover a table. A bowl might hold things. These are guesses, not facts about a group.
Model: It might be for a display. We need more facts to be sure.

Care steps

1 Ask first. Wait for permission.
2 Follow the adult’s steps for that item.
3 Hold it low over the table with support.
4 Put it back on the mat with care.

Keep the paper loop safe. Do not lift by the loop. Use kind words. Look without touch if you wish.

Words

ask, wait, hands, low, mat, care

Start

I show care when I __.

Model

I show care when I ask first and wait.

Finish

Show the steps with an allowed card or copy. Or point to the steps and ask for help.
