# Teaching assistant brief

BUILD Spring 1 Week 1 Monday 4 January 2027 P5 Year A Explore

I can use a colour or sound to show a feeling.

Arrival 0-3; Starter 3-6; I do 6-12; We do 12-18; Create 18-32; Review 32-37; Exit 37-40 minutes. Tidy in the final two minutes of Review.

## I do

Point to the feature being modelled. Check one detail. Do not decide a feeling for the pupil.

## We do

Offer two versions. Ask what changed. If unclear, change just one feature and check again.

## Create

Use the prompt ladder. Record the actual help. Return the next action to the pupil after modelling one step.

## Materials free access

Use a silent four-move finger pattern or an air drawing. A pupil may direct the adult. The adult records the sequence and exact confirmed words on the supplied log. No materials or device is needed for participation.

## Log and review

Scribe exact pupil words. Read them back and allow correction. Keep observed actions separate from the pupil's intended feeling.

Prompt ladder: 1. Point to the place or instruction. 2. Ask a short question. 3. Rephrase the instruction. 4. Provide a scaffold or choice. 5. Model the first step only, then return the task.

Plan in any language. Use a silent seated route and private sharing when helpful.

## Evidence

Retain actual work or a precise observation plus the log. Keep optional stretch labelled separately. Do not infer a completed award or live encounter.
