Artist description and my response

BUILD Spring 1 Week 3 Tuesday 19 January 2027 P1 Year A Explore

Listen to the artist description. No copy of the artist's work is supplied.

Henri Matisse Cut-outs

Henri Matisse made art with line, colour and cut paper. He used line and colour to show feelings. He cut shapes from painted paper. He moved the shapes to try a new layout. We can read his art in our own way. We do not know his mood from it.

A detail and a view

What did he cut? What could he move?

How could moving your own shapes change the way your piece feels?

A fact comes from the card. A view is your own reading. We can use a method to make our own art.

One fact I found was ___.

My own piece could show ___ by ___.
