# Two ideas and one plan

In your book, make two small plans. A thumbnail is a quick rough sketch. For sound or movement, use short action notes.

## Plan A and Plan B

Plan A quick sketch or short action notes

Plan B a different idea or arrangement

## My choice

Which idea could show resilience? Choose one and say why. Resilience can include a pause, help or a new way forward.

## My materials and actions

Name what you need and count the items. Keep the plan small. List what comes first, next and last. Add a time, space and safe stop cue. If you need no art materials, say which actions or adult help you will use.

## Before making

Check that materials are available. Change the plan if needed. Keep both small plans, your reason, materials plan and next step in the arts log. This is a plan, not completed artwork.
