Teaching assistant brief

GROW Spring 1 Week 3 Monday 18 January 2027 P6 Year A Explore

I can plan two different ideas and choose one for a reason.

Arrival 0-3; Starter 3-6; I do 6-12; We do 12-18; Create 18-32; Review 32-37; Exit 37-40 minutes. Tidy in the final two minutes of Review.

I do

Point to the difference between the two adult plans. Separate a plan from completed art.

We do

Ask for a feature and possible meaning. Model the first comparison only, then return the choice.

Create

Record pupil choices exactly. Keep two distinct options, the chosen plan and reason. Do not choose the subject for the pupil.

Materials free access

Pupil describes two original short sequences or directs an adult to show them. Adult keeps ordered notes and the exact confirmed choice and reason when a recording surface is available.

Log and review

Scribe exact pupil words. Read them back and allow correction. Keep observed actions separate from the pupil's intended feeling.

Prompt ladder: 1. Point to the place or instruction. 2. Ask a short question. 3. Rephrase the instruction. 4. Provide a scaffold or choice. 5. Model the first step only, then return the task.

Plan in any language. Use a silent seated route and private sharing when helpful.

Evidence

Retain actual work or a precise observation plus the log. Keep optional stretch labelled separately. Do not infer a completed award or live encounter.
