Teaching assistant brief

BUILD Spring 1 Week 5 Monday 1 February 2027 P5 Year A Explore

I can find two useful parts and choose one small change.

Arrival 0-3; Starter 3-6; I do 6-12; We do 12-18; Create 18-32; Review 32-37; Exit 37-40 minutes. Tidy in the final two minutes of Review.

I do

Point to the feature being modelled. Check one detail. Do not decide a feeling for the pupil.

We do

Offer two versions. Ask what changed. If unclear, change just one feature and check again.

Create

Use the prompt ladder. Record the actual help. Return the next action to the pupil after modelling one step.

Materials free access

The pupil performs or directs a short silent sequence, uses two spoken or pictured stars, chooses one wish and actually rehearses that change. The adult records the real actions, pupil reasons and support when a recording method is available.

Log and review

Scribe exact pupil words. Read them back and allow correction. Keep observed actions separate from the pupil's intended feeling.

Prompt ladder: 1. Point to the place or instruction. 2. Ask a short question. 3. Rephrase the instruction. 4. Provide a scaffold or choice. 5. Model the first step only, then return the task.

Plan in any language. Use a silent seated route and private sharing when helpful.

Evidence

Retain actual work or a precise observation plus the log. Keep optional stretch labelled separately. Do not infer a completed award or live encounter.
