GROW Spring 1 Week 6 Wednesday 10 February 2027 P5 Year A Explore

I can explain how an artist inspires me and keep an honest record of my learning.

1. Complete the core research record.

2. Explain how career or method shapes your interest.

3. Evaluate what the note answers and leaves open.

4. Set a specific research or arts next step.

Keep your own record

Use actual work or a source. Keep your own words, date and support. You may share privately with an adult.

Optional further depth

Link a checked career fact to a method that interests you. Explain what your source cannot answer and choose a useful next research question.

The core research is this week’s task. This extra depth is optional. The current log remains Explore.
