Make a winter welcome card

First place and check the paper. Then glue and finish the card.

Point, say, draw, write or use an aid. Ask for help or a pause.

Kit: one card blank, three paper strips, glue and a pencil or Welcome strip. The adult cuts the parts before the lesson.

Stage	What to do
1 · Fold	Fold the card in half. Ask for help if needed.
2 · Arrange	Cross three paper strips at the centre. Check the pattern.
3 · Glue	Glue the strips in place with adult support.
4 · Finish	Add the word Welcome. Check and leave the card to dry.

To make the snowflake pattern: place one strip upright. Cross the other two strips over the same middle point. Keep the strips on the front of the card.

Choose paper colours. An adult can help with the fold and glue. You can choose a simpler pattern if needed.

Check and finish cards

Check	What to look for
Fit	The paper parts fit on the card.
Space	There is room for the word or mark.
Join	The paper parts are held in place.
Dry	The card is in the agreed drying space.

Word strips

Choose a strip or write the word yourself. The adult can cut a strip in advance.
