Weekly plan row

Wednesday 6 January 2027 · P1 · 40 minutes · Year A

RSHE · BUILD · three to four learners · Spring 1 Week 1 · 4–8 January

Theme: Resilience & Change. Formative. Six-week term, Week 6 assessing.

Exact outcome

Recognise that change can feel hard (Children's MH Week).

Learning and evidence

Read fictional changes to a time, room, pair and task order. Link a stated feeling to a changed plan. Show that people can feel differently. Record an individual book, oral, aided or scribed response and one feedback reply.

Forty minutes

0–12	Calm starter, input, model A and one-minute reset.
12–25	Guided B, private hinge C, help choice and reset.
25–40	Individual D, feedback and private exit.

Access and private help

Level 2 word bank, starter and visible model on every task. Supported / Independent / Aspire retain these aids. Private response turns only. Read, point, sign, type or use a faithful scribe. No personal stories. Trusted adult and the school’s help route; pass, pause and supported return.

Where this leads

This helps me cope with a changed plan and ask for clear steps in learning or future work.
