Card 1 A changed time

All stories are made up. Use a book or an aid. You can point or ask an adult to write.

Starter
Old plan: art first. New plan: art later.

Task: point to what is new. Words: first · later. Start: “Art is ... .”

Model for the old plan: “Art is first.”

Story A
A young person will do art later today. The old plan was art first. They say, “I feel cross. I liked the old plan.”

Visible model
The time changed. They feel cross. The old plan was known. Change can feel hard.

A small check
What changed? A the time. B the person’s name.

Words: time · plan. Start: “The ... changed.”

Model: “The time changed.” Point to “art later” as a clue.

Words
Change: something is new or not the same. Cross: a word for feeling angry. A plan: what will happen.

You can ask a trusted adult in private. You can pass or pause.

Card 2 A changed room

Story B
The room for a group task is shut today. The group will use a new room. A young person says, “I feel unsure. I do not know where to sit.”

Words to use
room · unsure · seat · help

Visible model from A
The time changed. They feel cross. The old plan was known.

Your task
Point, say or write what changed. Start: “The ... changed.”

Point, say or write the feeling. Start: “They feel ... .”

Link the change and feeling. Start: “Change can feel ... .”

A kind step
Words: ask · adult · seat. Start: “They could ask ... .”

Model from A: “They could ask an adult to show the plan.”

Choice A: ask an adult where to sit. Choice B: guess the new plan.

Use the story only. No one needs to share a private story.

Card 3 People can feel differently

Story C
Two young people will each work with a new partner. One says, “I feel keen to start.” The other says, “I feel unsure.”

Words to use
keen · unsure · same · different

Visible model from A
One person says, “I feel cross.” That tells us about that person.

A private check
Choose A or B. A everyone must feel the same. B people can feel differently.

Start: “They can feel ... .” Point to a feeling in C.

Another check
Think about A. A change may feel hard. B change always feels easy.

Words: hard · cross. Start: “Change can feel ... .”

Model: “The time changed. They feel cross.”

A helpful step
Words: ask · adult · first step. Start: “They could ask ... .”

Model: “They could ask an adult to show the plan.”

Choose A ask for a first step, or B guess the plan. A helpful step may help. It need not make the feeling go at once.
