Weekly plan row

Wednesday 3 February 2027 · P1 · 40 minutes · Year A

RSHE · BUILD · three to four learners · Spring 1 Week 5 · 1–5 February

Theme Resilience & Change. Formative. Six-week term; Week 6 assessing.

Exact outcome

Identify who helps me through change.

Learning and evidence

Use a role-based home/school/community circle, a four-role/four-help sort and one invented new-class-routine story. Identify a helper and useful help; more than one safe fit can be valid. Record fictional choices, mode, normal aids and content prompts only. Pupil keeps optional My circle card; do not collect or photograph it.

Forty minutes

0–12	Story, support roles, model/check and reset.
12–25	Role/help sort, private hinge, who/how plan and reset.
25–40	Individual story choices, private card, NS/reply and exit.

Access and private help

All seven banks/starters/models stay on all routes. Pointing, selection, drawing, usual aid and faithful scribe/voicing are valid; this is identification, not a speech test. Pass, observer, pause and supported return remain. Any circle space may stay blank. Support privately without pressing. Use known trusted adults and agreed routes; do not send a pupil alone to an unfamiliar adult. Any disclosure goes to the safeguarding lead through school procedure. No probing or secrecy promise.

Where this leads

This helps me find safe help when I learn a new task or do a job.
