Sequence and evidence guide

Year A | Autumn 2 Week 2 | 9 November 2026

Year A. LAUNCH ICT Autumn 2. One 40-minute lesson per week. The owner-approved sequence supplies the discrete ICT lesson order. School and Public use the same generic wording and fictional resources.

Week commencing	Focus
2 November 2026	Files and personal information
9 November 2026	Structured document
16 November 2026	Evaluating sources
23 November 2026	Spreadsheet formulas
30 November 2026	Charts
7 December 2026	Accessible presentation
14 December 2026	Independent task with paragraph frame; assessing lesson

Term theme and careers

Identity & Belonging. Office support staff use headings and clear paragraphs so readers can find the right information.

Week 2 evidence

Keep the individual structured document and evidence slip in the approved area. Record the actual support. Check title, two heading styles, grouped paragraphs and the reopened text. Paper drafting alone does not complete the digital checks.

Using the pack

Extract one whole edition. Open the HTML beside its assets folder or use the 14-slide editable deck. Print the chosen route, fictional source sheet and evidence slip. The editable pack contains eight pupil pages. The teacher plan provides timings and the reader test.
