Station support three

Thursday 12 November 2026 | 12:50–14:10 | Year A

Set up and reference

Current session: Thursday 12 November 2026. Support the GROW practical at station D using grow_community_cakesale_a2w2, Lesson_07_A2_W2, in GCS-2_SEGMENT_E_issue3. Use the accepted L7a task and L7-E1 evidence route. These resources are referenced, not rebuilt.

P5 practical boundary

Cold finishing is the default. Use a hot kitchen only if the owner confirms an approved one-room layout, safe supervision and a suitable existing method. Do not force cooking or cooling into twenty-five minutes. Use approved cold work or a non-food equivalent if needed. Follow existing food checks; invent no recipe, temperature or cooking time.

P6 appointments

Stop and secure food work by 13:35. Everyone hears the teacher's 13:35 to 13:40 model. Then use accepted L7b mock-stall materials for focused appointments at 13:40 to 13:48 and 13:49 to 13:57. Keep one home pupil per team; return pupils before 14:00. The teacher leads from team C; TA1 supports A and TA2 B. If food work is not safely secured, defer L7b and ask the teacher to adjust. Never leave hot work unattended.

Record and finish

Keep actual choices, help and gaps through the accepted route. No full L7a, L7b or award completion is inferred. Point, question, rephrase, scaffold, then model only the first step. No cold calling. Finish: a focused record or pending check, then return to the travel task.
