Purpose and success checks

The weekly scheme line above is shared across two lessons. This lesson focuses on explaining progress and next steps.

How can I explain my progress using my own evidence?

I can explain two pieces of my own work. I can respond to a question or feedback. I can agree a next step and bank checked work.

VOC-W7-L2-E1: Individual portfolio review with two traceable evidence references, a genuine audience question and learner reply, final evidence checklist, next-step statement and actual banking status.

Before pupils arrive

Bring the Lesson 1 index and two authentic records selected by each learner. Agree a quiet adult audience and the learner's preferred mode. Have approved evidence storage available to staff. No external assessor, employer, visitor or placement is assumed.

Offer processing time, a quiet start and the usual communication support. Capture each learner's own work. Read the Staff Answers before teaching.

Calendar and continuity

Monday 14–Friday 18 December 2026. Two 40-minute lessons this week. No teaching day or clock slot is inferred. Any visitor, placement or external audience is unconfirmed; the in-class route is ready to use.

Staff enter the actual teaching date above. Continue the accepted prior-week evidence and support routines.

Forty minute sequence

Slide	Min	Action
1	0	Open title and big question before timing.
2	4	Private check-in, quiet start and support choice.
3	2	View the practice picture; hear one clue or question.
4	0	Read the exact objective and success checks.
5	5	Model the six lines; explain the reason for each.
6	5	Ask for a hinge answer and reason; reteach if needed.
7	12	Use the six cards and the Supported/Independent/Aspire routes.
8	6	Complete the individual two-page evidence record.
9	4	Check ownership, support, response and next step.
10	2	Take a short quiet exit response.
11	0	Use the vocabulary mat throughout.
12	0	Hidden reference for adults.

Hinge and reteach

B. A final review can bank verified items while leaving an honest gap and future action. The evidence must remain the learner's. Reteach by separating "checked and banked", "needs checking" and "missing" with a sample folder. No award completion follows automatically.

Access and practice

Supported: point and use a sentence frame. Independent: explain skill, evidence and help. Aspire: compare progress and a remaining limit.

The learner explains two records with task, skill, action and support. An adult asks one genuine question, then records the learner's own reply. Use NS+ feedback and a response, in the same colour, on the same page or usual mode, before R. Staff bank only verified items, record actual storage/status, and leave remaining gaps with a next-step statement.

Begin evidence during practice and finish during capture. Accept speech, pointing, drawing, writing or usual AAC. Scribe exact words without supplying the assessed reason. No forced pair work or public performance.

Safe teaching evidence and learner voice

Boundaries

A quiet one-to-one review, writing, pointing or AAC is acceptable. No public presentation or personal disclosure is required. Keep private records in approved staff storage. Do not invent audience feedback, dates or completion.

Unconfirmed slot and in class alternative

Unconfirmed. No booking, invitation, placement or event date is asserted. Use the familiar adult as the review audience and available in-class evidence. Record any missing external encounter as missing; do not write a fictional visitor response.

Assessment and feedback

Two records are traceable to this learner and are described accurately. The real audience question and learner response are retained. The next step is specific and includes support. E is used only for evidence actually stored. An unresolved gap stays explicit; this lesson does not certify an award or registration.

Retain actual work, response mode and support. Use VF · WS · I · NS+ · // (self-edit) · ? (read back) · R (responded) · E (evidence banked). R requires Voice, Audience, an NS+ prompt and the learner's response in the same colour, on the same page or usual mode. Record E only after evidence is banked. Blank forms and adult models are not completed learner evidence.

Lundy moments

Space: calm, accessible participation. Voice: a choice, reason or help request. Audience: the adult listens or reads and replies. Influence: record the support or next-step change made in response.

Offer to the Communication portfolio

Explain a choice, listen to feedback and write or dictate a reflection. The receiving teacher maps authentic responses to their own Communication portfolio; no criteria are assigned here.
