Tell an adult what you saw.

Read it back: I am learning to test a rock in two ways.

My feedback was… I showed…

Next I need to… try one small fix.

How I know: I can show a safe mark test. I can watch where drops go. I can tell what I saw.

Tell your teacher. They will pick our next start.

Take one quiet minute before the next lesson.

My confidence: □ I need help □ I can try □ I can show it
