Theme Resilience & Change. Formative. Six week term; Week 6 assessing.

Exact outcome

Stay safe online; recognise risks and my digital footprint (Safer Internet Day).

Learning and evidence

Spot a privacy risk. Explain that online posts can be copied and leave a trace. Give a kind, safer step with a reason. Say how to get help. Use A as a model. Choose map B or advice C, with equal checks. Private pledge remains with the pupil; fictional pledge, blank or pass is valid. Record story learning, access, content prompts, one NS and reply only.

Forty minutes

0–10	Arrival and starter 5; input 5.
10–22	Model and guided work 7; private hinge and choice 5.
22–40	One chosen task and pledge 12; review 4; private exit 2.

Access and safe support

Books are the first route. Type instead on Evidence Sheet page 2 works for either choice. Point, draw, use an aid or use an exact scribe. Read back quietly and allow correction. Keep usual reading and language aids. Plan in any language. No public questioning. Pre agree a discreet pause signal and a known supervised route before the lesson. Staff acknowledge the signal without a public reason. Use the agreed adult support and place. Offer a calm task, a supported return or a private catch up. A learner does not leave alone. Any disclosure goes to the safeguarding lead through the school procedure. Listen calmly. Do not probe or promise secrecy. Keep concerns out of shared work and learning records. For an urgent concern, get on site staff help at once.
