Learner code _____ Keep your own response and actual help.

My possible explanation

One possible reason is _____
More evidence needed to check it _____
_____

My limitation and next check

The evidence is limited because _____
So I cannot claim _____
A useful next check would be _____
_____

My feedback and response

Adult reply and one NS _____
My own-colour or supported response _____
_____
The help I actually used _____

Adult record

Actual observed work/reference _____
Response mode and actual support _____
Open data/evidence gap _____
Actual review/banking status _____
Record R only after actual audience reply, NS and learner response; E only after actual banking. Do not infer independent reading or duplicate a partner’s achievement. Keep real fieldwork separate.
