Support adult brief

Tuesday 17 November 2026 | P6 | 40 minutes

Before

Offer white or pink paper and a private answer mode. Check the sources and route are ready. Confirm no reading aloud is expected.

Model

Point to the four checks while the teacher models. Keep M and N distinct from task cards A, B and C.

Together

Use the prompt ladder: point to the instruction; ask a short question; rephrase; offer a scaffold or choice; model the first step only, then return the task.

Independent

Allow quiet thinking. Prompt the location of evidence without choosing the strongest source. With one device change turns at six minutes; the other learner plans privately.

Record

Keep a separate evidence record per learner. Note actual help. Check that the learner can show the detail behind their choice and one limit.

Close

Check the saved document, give the agreed next step and acknowledge the pupil response privately. Mark unobserved skills not yet; do not infer them.
