Sequence and evidence guide

Tuesday 8 December 2026 | P6 | 40 minutes

The discrete ICT sequence

Year A, Autumn 2. Week 1 files and personal information; Week 2 a structured document; Week 3 evaluating sources; Week 4 spreadsheet formulas; Week 5 charts; Week 6 accessible presentation; Week 7 independent task with a paragraph frame, assessing.

This lesson

Tuesday 8 December 2026, P6. Week commencing 7 December. One 40-minute lesson for the LAUNCH pair. School and Public teaching content is identical and generic.

Evidence to retain

An individual three-slide file, one access-change reason, correct chart facts, an observed description and reading-order check, actual support and reopen observation. Keep unverified checks marked not yet.

Print and access

Use the task brief, one route and evidence prompts. Offer pink PDFs or ordinary PDFs on pink stock. Plan and respond in books or a private file. No required reading aloud, cold calling or public presentation.

Next lesson

Tuesday 15 December 2026 is Week 7, the assessing lesson. It combines the ICT skills in an independent task with a paragraph frame. Keep this term files available.
