The aim

I can make three slides easier to read and navigate.

Steps

1. Open your own copy of the three-slide practice deck.
2. On slide 1, use a clear title and larger dark text.
3. On slide 2, add a clear title and a useful chart description.
4. Check title, chart, then comparison in reading order.
5. On slide 3, explain one change using the reason frame.
6. Preview all three slides. Save, close and reopen.
