Words for clear slides

Tuesday 8 December 2026 | P6 | 40 minutes

audience

The people who will use the slides.

accessible

Designed so more people can use the content.

contrast

How clearly text stands out from its background.

alternative text

A short text description of the meaning of an image.

reading order

The order in which slide objects are read.

preview

Check how the slides work before sharing them.

A useful reason

I changed ... so that the audience can ...

_____

_____
