Staff taste test

Operational class tally · Complete from real staff responses only

Product / batch: _____ Date: _____ Recorder: _____
Full portion shown: _____ Proposed price per full portion: £_____

Adult release check: labels and storage approved by _____ at _____.
Offer a clean individual sample. Tasting is optional. Ask tasters to check the ingredient information first.

Question	Yes: tally / total	Not yet: tally / total
Does it taste good?		
Does it look ready to sell?		
Is the shown full portion good value at £____?		
Would you buy that full portion at £____?		

Use the same proposed price in all three price spaces. Tally one answer per taster per question. If value cannot be judged, record “not answered” below; do not guess.

Number offered a sample: ____ Number who tasted: ____ Not answered: ____

_____

One comment in the taster’s own words (no name needed):

_____

_____

What must change before sale day? Use the tally or comment.

_____

_____

Change agreed: _____ Owner: _____ Check by: _____
Keep the real ingredient costs and actual portion count for Lesson 6 costing.
