Evidence I can choose

Reference cards · Point or speak, then work in your book

A dated photo

Say what you did. A photo of the group needs your own part.

My plan or book

Show the target, choice or tool that belongs to you.

A label or product record

Show what you checked, made or changed.

A tally or feedback record

Say what you recorded or changed because of the feedback.

My caption frame

What: This is __.
When: I made or used it on __.
My role: I __.
Result: This shows __.

My goal check

It supports our goal because __.
There is a gap: __.
We cannot test that goal yet because __.

Choose real work. Ask an adult if a date or reference is missing. You can say that evidence is not ready yet.
