GROW PSHE · Spring 2 Week 3 · 8 to 12 March · up to five learners

Formative. Spring 2 runs 22 February to 25 March 2027 for five weeks. Pressure and choices is an original lesson grouping.

Exact outcome

Understand peer pressure and assertiveness.

Learning and evidence

For all three invented cases, show the pressure type, a clue, a fitting phrase and a safe next step. Types can overlap. Both main formats have the same checks. All three phrase trials are offered in the learner usual mode. Choose map B or advice C for A to C. The exit-line card stays with the pupil. Record actual mode, access, content cues, one NS and reply.

0 to 10	Arrival and starter 5; input 5.
10 to 22	Model and guided work 7; private hinge and choice 5.
22 to 40	Map or advice 5; three phrase opportunities 5; optional private card 2; review 4; private exit 2.

Access and safe support

Books are the first route. Evidence Sheet page 2 offers Type instead for both formats. Point, draw, use a usual aid or exact scribe. Read back privately and allow correction. Keep reading and language aids. Plan in any language. No public questioning. Before teaching, agree a discreet HELP or PAUSE signal, available adult and familiar supervised place and route. Staff acknowledge it quietly. No public reason is needed. Offer a neutral task, supported return or private catch-up. Do not send a learner away alone. Pass and a pause are not failure. Any disclosure goes to the safeguarding lead through school procedure. Listen calmly, reassure, do not probe, investigate or promise secrecy. Follow urgent school procedures for immediate concerns. Keep real concerns and identifying details in the separate safeguarding record, not learning evidence. A pupil unable to identify a trusted adult is supported privately, not pressed.

Source and next steps

This helps me state a choice, respect another person's choice and seek support in a group or future work. Offer to the Communication portfolio; staff confirm mapping.
