Knowledge organiser

I can choose a model that fits my question.

I can give a clue that supports my answer.

I can name one next step after feedback.

I am learning to… use a model and a matching clue to show what you know in science.

Three ideas: toy on two surfaces, day and night, and a long climate pattern. Sketches are simplified; the line is not data.

I can choose a model that fits my question. I can give a clue that supports my answer. I can name one next step after feedback.
