Teaching assistant brief

Design and Technology LAUNCH Spring 1 Week 1 Thursday 7 January 2027 P1 Year A

I can plan one balanced meal, check its cost and explain my choices.

I do

Point to each price as it is added. Allow the pupil to complete the final step. Check 140p equals £1.40.

We do and hinge

Ask one brief question, then wait. Keep the old and replacement prices visible. If a learner misses the hinge, use pence and the parallel 45p check.

Independent

Use the pupil’s selected route. Offer reading, a calculator or exact scribing. Read the plan back. Record real support and keep the pupil’s own reason.

Access and calm pause

Read one prompt at a time. Plan in any language. Offer a private adult check. Keep home finances and dietary needs private. No food handling or tasting is required. Pause, reduce the demand and return with a short cue.

Evidence

Keep the completed plan, quantities, costs, total and one-line justification. Mark practical approval and any transcription pending until complete.

Prompt ladder

Point to the place or instruction. Ask a short question. Rephrase. Offer a scaffold or choice. Model the first step only, then return the task.
