Teaching assistant brief

Design and Technology LAUNCH Spring 1 Week 2 Thursday 14 January 2027 P1 Year A

I can follow my checked plan to prepare a simple dish and show safe working.

Before food

Check that the adult has given GO for this pupil. A blank allergy note or unknown label is HOLD. Personal records stay private. Support handwashing and one-step instructions.

I do and we do

Point to the picture and quantity. Confirm understanding before a tool is issued. Use the demonstrated method, prepared vegetables or pupil-directed adult handling. Keep the adult’s actual actions visible in the record.

Independent stage

Maintain the agreed supervision. Prompt one action, wait and fade support only when safe. Stop for changed ingredients, equipment or needs. Keep chilled ingredients out for the shortest time.

Review and evidence

Put tools down. Help clear and clean. Keep actual safety actions, dish, changes and support. Photo capture is adult-operated and food-only. The generated pictures are not evidence.

Calm and communication

Rehearse in any language. Accept pointing, speech or signing. Offer a pause with tools down and food protected. No compulsory tasting. Read recorded words back.

Prompt ladder

Point to the place or instruction. Ask a short question. Rephrase. Offer a scaffold or choice. Model the first step only, then return the task.
