Evidence sheet

LAUNCH Design and Technology Spring 1 Week 3 Thursday 21 January 2027 P1 Year A Resilience and Change

Weekly outcome verbatim: FOODWISE: evaluate taste, cost and nutrition.

Evidence is the pupil’s own review, linked to the actual plan and making record. Use the existing book first.

Check	Evidence location and short comment
Dish and actual source named	Record page/date and any missing item.
Taste status honest	Recorded Week 2 note used / taste not assessed.
Appearance kept separate	Actual photo or plate record used / not seen.
Cost per portion checked	Actual amount, price basis, portion count and calculation.
Food-group comment	Actual ingredients linked to balanced eating over time.
One improvement with reason	Future change and proposed check, not an invented result.
Ownership and support	Pupil words confirmed; actual scribing, calculator or prompts noted.

Teacher status: Shown / More to do / Not yet seen. Review date and evidence location: record in the private evidence record.

A tick records weekly evidence. It does not award a qualification or prove a tasting or practical that did not happen.
